

Every year,  
thousands of  
children experience  
a Christmas morning with  
no gifts to open. ABC7 &  
Southland Firefighters host  
the “**Spark of Love Toy Drive**”  
to make sure all kids will have a toy.

With the love support of donors and sponsors,  
children across Southern California will receive a  
new toy this holiday season.

*We have decided to participate in SPARK OF LOVE  
again this year. Please bring a new toy (unwrapped)  
to school and drop it in the gift box in your child's  
classroom. Our students are so excited to be a part  
of this Toy Drive every year.*

On Monday, 10<sup>th</sup>, we will walk to the Fire station  
next door & drop off all the gifts. Your contribution  
is greatly appreciated! **Thank you!**
