

On behalf of the students and staff at

Oneonta Montessori School

Alhambra

I would like to cordially invite you and your family to our annual

OPEN HOUSE

Friday, March 29th, from: 3:30 – 7:00 p.m.

Our students will be demonstrating how the Montessori Materials in the classrooms that motivate them to discover learning in an exploratory manner.

Our students, preschool to 6th grade, use their senses when working with these fascinating, self correcting materials that have very specific goals and purposes; thereby promoting a healthy productive educational setting.

Come see how we provide constructive hands-on learning experiences in our classrooms, allowing children to grow and excel in a well prepared environment.

COME SEE OUR FABULOUS SCHOOL!

2221 Poplar Blvd

Alhambra, CA 91801

626-284-0840

Dear Visitors,

Welcome to our Open House!

If you have a child in the preschool age group you may visit us anytime between the hours of 3:30 and 7:00 p.m. In preparation for Open House, our preschoolers have chosen 3 'jobs' from the range of Montessori materials that they will present to their parents. When you visit the classrooms you will see a broad range of activities & materials that our children work with at school. If you have any questions or would like an explanation of the methodology of a Montessori classroom, please feel free to ask the teachers.

If you have a child in the Transitional Kindergarten - 6th grade age group, it will be informative and enlightening to sit in the classroom of your child's age group at either one of two Montessori material presentation times, (3:30 p.m. or 5:45 p.m.) Our students have picked one 'job' from the 7 subjects that are a part of their academic curriculum; Math, Language, Geometry, Botany, Zoology, History and Geography. They will go on to explain its importance and use. You will notice the proficiency of their knowledge of the materials as well as their confidence and public speaking abilities. We have reserved a time slot from 4:30 p.m. – 5:30 p.m., for visiting families to talk to the teachers who will be able to answer all questions.

We start accepting applications from prospective students beginning April 1st for the new school year that starts August 26th, 2019. Every year we have only a limited number of openings available to allow for new students, therefore it is imperative to turn in your child's application as soon as possible to avoid being placed on a waiting list.

We look forward to seeing you and your child on Friday, 29th! Please make your way to the school office when you arrive and we will direct you to the classroom that is age appropriate for your child.

Sincerely,

Ms. Fiona

Director
