WHAT A YEAR WE HAD!

In spite of the pandemic and mostly all of our students starting the year off at home, they are now at the finish post having worked extremely hard throughout this difficult period; we applaud their dedication & commitment to their education. Congratulations to all our Rock Star Students!

Thank you parents, for your tireless devotion to your children; when the world around looked dreary and it seemed like nothing was going to work out, you didn't give up & joined us teachers in making your children understand that school was important & must continue no matter how difficult the circumstances. Venturing out of our teaching comfort zones, we too got technologically smarter. Now, at the end of the school year we can surely celebrate together as we see firsthand how promisingly our students have matured and developed. They have truly made all of us very proud!
