

ELEMENTARY STUDENTS (TK – 6th GRADE) REGISTRATION FORM **(2022 – 2023) SCHOOL YEAR**

We are just beginning the registration process & would like to invite all our students back for another enriching school year, 2022/2023. This school year, even though we are still in a pandemic dealing with many challenges, has been very rewarding. Our students continue to excel above and beyond our highest expectations in every grade level. We know that when great teachers, gifted students and exceptional parents get together, the amazing thirst for knowledge & teaching is not inhibited; it can soar to heights never imagined, no matter the circumstances. Thank You Oneonta Parents for your dedication to your children! We are so thankful all of you are part of our Oneonta Family!

Please complete the Registration Form below & return it to the office by [Friday, March 25th](#). This year we are getting ready for full occupancy per classroom as per a pre Covid-19 school year; 100 preschool students and 125 elementary students (TK – 6th grade). Open enrollment commences March 28th; new students will be placed on class rosters. Once class rosters are filled, students who have not registered will be placed on a waitlist for the next school year.

We feel it is now safe to reintroduce some of the after school extracurricular activities such as Dance, Hapkido, & Tennis for the next school year so get ready for some afternoon fun!

These 2 very popular special programs will continue the next school year as part of the elementary curriculums.

- **MUSIC CLASS** (TK – 6th grade) will continue with Mr. Mario
- **STEM ROBOTICS Class** (3rd – 6th grade) will continue to give our students a hands-on perspective of understanding the world around them in a scientific realm; incorporating Science, Technology, Engineering & Math.

The registration fee is **\$100.00** & must accompany this form; last day is **Fri, March 25th**. Open enrollment for new students will commence **Monday, March 28th**.

Beginning August 22nd, 2022, the annual tuition fee will be \$9,500.00 yearly, or \$950.00 payable in 10 installments, an increase of approximately 2%. The Daycare fee will remain the same: \$100.00 for one child and \$175.00 for two or more children.

Summer Camp 2022 (June 20th - August 12th)

Summer camp is 8 weeks of academics and socializing. Three hours of academics (language, math and reading) every morning followed by enjoyable camp activities, entertaining in-house entertainment & a few outdoor adventurous field trips this year. Other camp activities include exciting projects & crafts, music, group games, outdoor sports and a chance to socialize with great friends at Oneonta.

There is a **\$25.00** Summer Camp registration fee. We would love to invite all our elementary students to enjoy this wonderful camp experience with us; a time to let loose & a chance to enjoy a fun summer camp! Summer fliers with all the activities will be sent out mid May so keep a look out for it!

Please submit a separate registration form for each child.

ELEMENTARY STUDENTS: TK – 6th Grade

Child's name _____

Grade in August, 2022 _____

Registration; School Year 2022- 2023

_____ will be returning in August
