PRESCHOOL STUDENTS - REGISTRATION FORM (2022 - 2023) SCHOOL YEAR

We are just beginning the registration process for the next school year & would like to invite all our preschool students back for another enriching school year. This school year, even though we are still in a pandemic & dealing with many challenges, has been very rewarding. Every little preschooler has grown and matured in leaps and bounds. We want everyone to know that the value and commitment we place on early childhood education and the quality of care we give our students at Oneonta is unparalleled. Our goal is to make Oneonta a safe and happy environment for all, something we work hard on striving for!

Please complete the Registration Form below & return it to the office by Friday, March 25th. This year we are getting ready for full occupancy per classroom as per a pre Covid-19 school year; 100 preschool students and 125 elementary students (TK - 6th grade). Open enrollment commences March 28th; new students will be placed on class rosters. Once class rosters are filled, students who have not registered will be placed on a waitlist for the next school year.

We feel it is now safe to reintroduce some of the after school extracurricular activities such as Dance & Hapkido for the next school year so get ready for some afternoon fun!

- The registration fee is **\$100.00** & must accompany this form; cut-off date is **Fri, March 25th**.
- Open enrollment for new students will commence **Monday, March 28th**.

Beginning August 22nd, 2022, the annual tuition fee will be \$9,500.00 yearly, or \$950.00 payable in 10 installments, an increase of approximately 2%. The Daycare fee will remain the same: \$100.00 for one child and \$175.00 for two or more children.

Summer Camp 2022 (June 20th - August 12th)

Our 8 week summer curriculum will include enrichment activities and academics, enjoyable camp festivities and many exciting in-house assemblies as entertainment for the little ones. Other activities include: Outdoor gross motor games, music, exciting crafts, art, cookery projects and much much more! Summer is also the time to say hello to all the new children who will be joining us and a time for the older children to move on up & get comfortable in their new classrooms in preparation for the new school year.

There is a \$25.00 Summer Camp registration fee. We are currently in the process of planning all the entertainment and activities; fliers will be sent out mid May. We would love for all our little ones to enjoy this wonderful camp experience with us this summer.

Please submit a separate registration form for each child.
