- Children will be encouraged to drink lots of water throughout the day.

SUMMER CURRICULUM

Our summer curriculum is planned ahead of time for the 8 fun weeks of summer school. New students will be gradually eased into a regular classroom routine and introduced to group activities, games & the Montessori materials which they will work on independently. Older children will sharpen Language, Math and printing skills as a preparation for the Pre K, TK & Kindergarten. Classrooms will have weekly schedules with daily activities listed; sent out via the DOJO app; be sure to check out all the fun activities planned for every week. Our teachers are always available to answer any questions.
