Summer Camp 2022

Dear Parents,

We would love for all our preschool students to participate in our stimulating 8 weeks of summer camp this year. You requested a strong academic, entertaining and exciting summer program, and that's what your children will get this summer. Teachers will send out weekly schedules (via the DOJO app) every Friday (for the week ahead) to keep you informed of all the exciting activities the children will be doing.

We listened to what was important to you; a summer program that is rich in academic content so that your children won't forget the knowledge and skills attained during the school year. Our teachers will continue to work with your children setting individualized goals throughout the summer. Some children who are Kindergarten bound in the fall will move up to the elementary school in summer, helping them ease out of nap time & get ready for a full day schedule in the fall, others will do so in the fall. Some little preschoolers will also move up from preschool to prekindergarten, helping them to get adjusted to being in their new environment before fall. Students moving into the TK class will move up in fall.

Our preschoolers will enjoy all the exciting in house entertainment, activities and other fun lessons planned for them. Many new students will be joining us this summer; we know our students will help them get adjusted by being good helpers and making friends with all of them.

Please fill out the **Summer Camp Fee Schedule** and turn it into the office as soon as possible. [Payment is not due now.](#)

We look forward to having all our preschoolers spend their summer with us and guarantee a fun and exciting time for all! If there is anything I can do to help you decide, please feel free to call me. I will be very glad to help!

Sincerely,
Ms Fiona ☺
