## WHAT AN EXCELLENT YEAR WE HAD!

Every student did their best and has the right to stand up tall and hold their head up high as they have achieved such a wealth of knowledge. Look at them now...Older and wiser, self assured and confident. For us teachers, seeing the true Montessori philosophy play out is such a rewarding experience. Thank you parents, for your tireless devotion to your children; you have worked alongside us by guiding and encouraging your children and this has contributed to their overall success. Now, at the end of the school year we can surely celebrate together as we see firsthand how promisingly our students have matured & developed. They have truly made all of us very proud!

## PARENTS AND STUDENTS OF ONEONTA MONTESSORI SCHOOL

It has been an honor and privilege to serve you this past school year. No stone was left unturned in our quest for fulfilling our highest expectations and helping each child reach his/her full potential. Students; it is your enthusiasm and love for learning which causes us to raise the bar every year. Your smiles and jokes lift our spirits, thank you! As Teachers there is no better reward than watching students accomplish so much so well. You have made us extremely proud; our best to you always! *The greatest gifts we can give our children are the roots of responsibility and the wings of independence. – Dr. Maria Montessori.*
