

August 22, 2022

Dear Parents,

We hope you had a great summer with your family. Welcome to the 2022-2023 school year at Oneonta! My name is Ms. Blossom and I will be your child's teacher this school year. Ms. Ning will work alongside with me. We are enthusiastic to have your children in our classroom. It is going to be a year full of fun, learning, and adventures. All of us teachers will continue to work collaboratively to ensure that we are offering the quality academic program that will benefit your children and enhance their education.

I have been teaching and coaching for 22 years. I received my Early Childhood Montessori training from the San Marino Montessori Training Institute. I also received my Lower Elementary Montessori Training from the North American Montessori Center. I have a Bachelor's degree in Early Childhood Education and a Master's degree in Educational Psychology from the University of the Philippines. Ms. Ning has a Bachelor of Science in Education, specializing in Mathematics. It is always a joy to see our students grow and become better individuals. We are so blessed to have this remarkable opportunity to nurture and educate your child.

I'm sure our students are excited and perhaps a tad nervous about their new grade levels and challenges that are coming their way. We can assure you that we, their teachers, are here for our students and for all of you as well. Parents are primary educators of their children; working together ensures their success. We will work well together to achieve this common goal.

To begin this partnership, join the DOJO app. We will post all announcements relevant to your child's grade level. Students will get their Google Classroom codes in the next few days to access homework and daily lessons. The best way to reach me is via my email at [blossom@oneontamontessori.com](mailto:blossom@oneontamontessori.com) or via our school DOJO app. Communication between teacher and parents is vital to a child's well-being so please let's keep the line of communication open all year!

We look forward to working with all of you this year. Let's make this the best year ever. We will see you in school at Back to School Night on Friday, September 9, 2022. Thank you in advance for your cooperation and contribution to a positive environment for all as we move toward another school year.

Warm Regards,  
Ms. Blossom
