

August 22, 2022

Dear Parents,

Welcome to the 2022- 2023 school year at Oneonta. My name is Ms. Vangie and I am delighted to have your child in our class this year. It is with great pleasure to be given this opportunity to be a part of your child's learning adventure. This is my 19th year at OMS. I received my Bachelor's Degree in Education at the Philippine Normal University. I completed my Montessori training at OB Montessori Teacher Training Course, where I was offered a teaching position after training to teach at Kindergarten and elementary level. I also taught at an International School in Jakarta, Indonesia, for 8 amazing years teaching children from different parts of the world.

Working with me this year is Ms. Carol, who has been working at Oneonta for the past 9 years. She will be teaching PE, Art and Science. Ms. Carol and I are fully committed to raising students' achievement in a positive in a nurturing learning environment through encouragement and respect for each child entrusted in our care. Together, we will work as a team to guide and learn more about language, math facts, and cultural arts, setting good work and study habits and establishing daily routines that set patterns for life.

This school year promises to be another meaningful and fun-filled experience for our students.

We look forward to meeting all of you at Back to School Night on September 9th. We will be passing out curriculums, homework schedules, and other pertinent important information. We hope to see all of you! Once again, welcome, and let's have a fantastic school year! Thank you in advance for all your support and cooperation.

Yours Truly,  
Ms. Vangie
